

CREATOR'S WILL

When you reach a pinnacle moment in your life, where do you turn?
Through the good and bad times in life do you know where to turn?
So many life solutions to choose from,
How will you know where to turn to for guidance.?

CREATOR, GOD LET YOUR WILL BE DONE!
CREATOR LET YOUR WILL BE DONE!
Creator let your will be done in our lives
Because we are of your spirit.

My brothers and sisters, don't let your worries lead you off the Red Road.
The Creator's Road will lead you on with good intentions.
Traveling through the journey of life,
we all experience thunder storms and sunshine.
The pathway that is covered with the Creator's loving spirit
will guide and protect your soul.
The journey on this Road has no mistakes or wrong doings;
it only has lessons to learn.

CREATOR, GOD LET YOUR WILL BE DONE!
CREATOR LET YOUR WILL BE DONE!
Creator lead us on, lead us on down the Road.
